

How to Write a Strong Introduction for an Analytical Essay

what was what was done in the Holocaust ok so that's just some things to get you thinking for the hook for ways to start leading get related to your topic (if you have to write an essay to specific topic you can get it from the service to which students [CheetahPapers research paper pay](#)) but getting your reader interested next up we have identifying the title and the author I'm going to throw you show you three different sentences that do this from basic to better to most sophisticated so my basic sentence jerry spinelli is the author of milkweed true story he is the author of milkweed and that's the book I'm writing about and he's the author of it it's pretty basic though let's see if we can do a little better milkweed by jerry spinelli is a novel set during the holocaust better because i give a little bit more information about the novel rather than just the title and the author but i think i can do better in his novel milkweed jerry spinelli invites us to experience the holocaust through the eyes of a young boy who misunderstands everything except the love of family and the different forms it can take this is far more sophisticated because not only am I identifying the title and the author I'm actually weaving that directly into the beginning of my summary you can do this strive to write like this so after hook and title and author we're going to talk about background information you know you need to do a plot summary in about four to five sentences
